

Birthday Song

Happy Birthday to Joe
He's the death squads' hero
Passing free trade agreements
Reelect him – hell no!

He votes for FTAs
Working People Betrays
Wall Street Joe is a traitor
To the US of A

He will outsource your job
Help Colombia's Mob
Cover Up Death Squad Killings
What an immoral slob

Wall Street Loves to Bribe Joe
To Help Them Hide Their Dough
In Those Banks in Panama
Tax evaders Love Joe

Animals he does harm
When he helps factory farms
Increase exports and profits
We should all be alarmed

He's big pharma's handmaid
Killing people will AIDS
Limits Access to Generics
He must be real well paid.

Supports Korea Trade Deal
GMOS in their meals
Doesn't care who he poisons
Joseph Crowley's a heel!

FTA He Helps Pass
So that Oil and Gas
Companies Can Destroy Forests
What a disgraceful ---- jerk.
