

## PROTEST CONGRESSMAN CROWLEY FOR VOTING FOR DEATH IN COLOMBIA !

Eladio Yascual Imbaquin, Community leader & election observer. Murdered 11/27/11

Human rights groups warned Rep. Joseph Crowley that passing the US-Colombia FTA without binding human rights commitments would guarantee that human rights atrocities against Colombian civilians would continue. Unfortunately, Crowley ignored these warnings and sold out to corporate interests by voting for the Colombia Free Trade Agreement, as well as trade agreements with Panama and South Korea, on October 12<sup>th</sup>, 2011.

### A number of killings have already taken place since the vote:

- Indigenous leader Igidio Muchaniso, assassinated 11/20/11.
- SINALTRAINAL union member John Fredy Carmona Bermúdez, found murdered 12/9/11.
- Advocate for the rights of displaced persons Alexa Gomez Polania, killed on 12/18/11.

**Crowley must be held accountable for these deaths!**
