Founded in 1919, The New School was born out of principles of academic freedom, tolerance, and experimentation. Committed to social engagement, The New School today remains in the vanguard of innovation in higher education, with more than 10,000 undergraduate and graduate students challenging the status quo in design and the social sciences, liberal arts, management, the arts, and media. The New School welcomes thousands of adult learners annually for continuing education courses and calendar of lectures, screenings, readings, and concerts. Through its online learning portals, research institutes, and international partnerships, The New School maintains a global presence. Learn more at www.newschool.edu.
