We Oppose:

- The US-Colombia Free Trade Agreement .
- The politics of large mines for the multinationals
- The sale of land
- Impunity and militarization

We Stand For:

- Sovereignty, Democracy and Progress for Colombia and its people!
 - Punishment for the perpetrators of the "False Positives" scandal -- where Colombian soldiers murdered peasants and then claimed they were guerillas.
 - Decent, stable jobs with benefits and collective bargaining rights for NY workers!!
 - Defense of Social Security, Medicaid, and Medicare!
 - An end to layoffs in government jobs and in the private sector!
 - No more NAFTA! End Corporate Greed and Domination!
 - No more benefits for the untouchable corporations!
 - Taxes and regulations for the corporations!
 - We call on all Congressmembers to speak out against and vote against the Free Trade Agreements (FTAs) with Colombia, South Korea, and Panama!
- Tell your Congressmembers to vote against the FTAs! Find their names and contact info by entering your address at <http://contactingthecongress.org>.
